

ANNUAL PARTNERSHIP

2026 | 2027

WHO ARE WE?

Our mission

We are committed to improving the lives of cancer patients. A cancer treatment plan can include medications not covered by the government or hospital. Our oncology medication access coordinators support patients in various ways:

- By assisting them in finding financial support, reimbursement programs, and assistance to ensure quick access to the medications they need and quality care throughout their treatment period;
- By helping to complete the necessary documents for private or public insurance and patient support programs to ensure treatments start without administrative delay;
- By offering training opportunities for our drug access coordinators;
- By creating networking opportunities to foster support and collaboration in practice.

Our Services and communication tools

AQCAMO offers several services and information and communication tools to its members:

- Website: www.aqcamo.ca
- Documentary reference and forms center (on the website)
- Training activities
- Newsletters
- Annual congress

5 REASONS TO BECOME A PARTNER

Increase your visibility

Our annual partnerships offer you increased visibility by highlighting your logo and your advertisements in AQCAMO communications:

- Logo and link to your website in the “annual partners” section of our website;
- Advertising banner and link to your website on the homepage of our website;
- Visibility before, during, and after the annual events of the association.

Participate in the development of knowledge of our access coordinators

- Drug Access Navigators who participate in our annual events are eager to learn and improve their practice, but also to standardize approaches and practices. They are always seeking new information and knowledge that will allow them to provide quality service to their patients.
- Webinars offered by our partners ensure scientific training and the required updates to our members.

Invest your time wisely

In addition to enhancing your business, you support AQCAMO’s mission to help cancer patients and ensure its sustainability. Isn’t this a wise way to invest your time?

Assert your reputation

A partnership with AQCAMO allows you not only to showcase your brand and promote your products and services to a targeted audience but also to affirm your reputation among established health professionals.

Consolidate your place in the field of oncology

Annual partnerships allow you to present yourself as a key player in today’s and tomorrow’s oncology.
